PAKISTAN POWER
ENGINEERING SERVICES

SINCE 2010

POWERING PROGRESS
DELIVERING EXCELLENCE

ABOUT COMPANY

Pakistan Power Engineering Services is a leading engineering solutions provider, delivering high-quality electrical, instrumentation, and automation services for industrial, commercial, and utility sectors.

With a team of experienced engineers and technicians, we are committed to providing safe, reliable, and innovative solutions that meet international standards and exceed client expectations.

50+ SKILLED PROFESSIONALS

10+ YEARS OF EXPERIENCE

500+ PROJECTS COMPLETED

100+ SATISFIED CLIENTS

OUR MISSION

To deliver reliable, efficient and cost-effective engineering solutions through innovation, quality and commitment.

OUR VISION

To be the most trusted engineering solutions partner, recognized for excellence, integrity and sustainable growth.

CORE VALUES

- Integrity & Transparency
- Quality & Excellence
- Safety First
- Innovation
- Customer Satisfaction
- Teamwork

WHY CHOOSE US?

QUALITY ASSURANCE
We ensure the highest standards in every project.

EXPERT TEAM
Highly skilled engineers with extensive field experience.

TIMELY DELIVERY
Committed to delivering projects on time and within budget.

SAFETY FOCUSED
Strict adherence to safety protocols and industry standards.

24/7 TECHNICAL SUPPORT
Dedicated support whenever you need us.

PAKISTAN POWER
ENGINEERING SERVICES

SINCE 2010

POWERING PROGRESS
DELIVERING EXCELLENCE

POWER TRANSFORMER SERVICES

DRY TYPE & OIL-IMMERSED

We provide comprehensive services for all types of Power Transformers to ensure maximum reliability, efficiency and long operational life.

OUR SERVICES

REPAIR, MAINTENANCE & TESTING

Complete repair, maintenance and testing of Dry Type and Oil-Immersed Power Transformers.

INSTALLATION, ERECTION & COMMISSIONING

Safe installation, erection and commissioning of Power Transformers.

PREVENTIVE & CORRECTIVE MAINTENANCE

Scheduled maintenance programs to ensure reliable performance.

DIAGNOSTIC TESTING & CONDITION ASSESSMENT

Advanced testing & condition assessment for early fault detection and reliability.

TRANSFORMER OIL FILTRATION & DEHYDRATION

Oil filtration, purification and dehydration to extend transformer life.

VACUUM DEHYDRATION & MOISTURE REMOVAL

Vacuum dehydration process to remove moisture and improve insulation strength.

FAULT DIAGNOSIS & TROUBLESHOOTING

Accurate fault diagnosis and troubleshooting for quick resolution.

REPLACEMENT OF BUSHINGS, GASKETS, OLTC & ACCESSORIES

Replacement of bushings, gaskets, OLTC components and other accessories.

OVERHAULING & REFURBISHMENT

Complete overhauling and refurbishment for enhanced performance and extended life.

ELECTRICAL TESTING, VERIFICATION & COMMISSIONING

Comprehensive testing, performance verification and commissioning services.

TYPES OF TRANSFORMERS WE SERVICE

DRY TYPE TRANSFORMERS

- Cast Resin / VPI Transformers
- Maintenance & Repair
- Insulation & Functional Testing
- Cleaning & Refurbishment

OIL-IMMERSED TRANSFORMERS

- Conservator Type Transformers
- Sealed Type Transformers
- Oil Filtration & Degassing
- Routine & Advanced Testing

RELIABLE SOLUTIONS MAXIMUM PERFORMANCE

ENHANCED RELIABILITY | EXTENDED EQUIPMENT LIFE | OPTIMAL PERFORMANCE | SAFETY ASSURED | MINIMIZED DOWNTIME

PAKISTAN POWER
ENGINEERING SERVICES

SINCE 2010

POWERING PROGRESS
DELIVERING EXCELLENCE

VCB & MV PANELS MAINTENANCE, TESTING & REPAIR

We ensure the safe, reliable and efficient operation of your Medium Voltage Panels and Vacuum Circuit Breakers through expert maintenance, advanced testing and quality repairs.

KEY BENEFITS

ENHANCED RELIABILITY
Minimized downtime and improved system reliability.

SAFETY ASSURED
Reduced risk of electrical faults and hazards.

COST EFFECTIVE
Preventive maintenance helps avoid costly breakdowns and repairs.

LONG EQUIPMENT LIFE
Regular servicing extends the life of panels and VCBs.

OPTIMAL PERFORMANCE
Ensures panels and breakers operate at maximum efficiency.

EXPERT SUPPORT
Skilled engineers and technicians for complete peace of mind.

OUR SERVICES

- Preventive and Corrective Maintenance
- Inspection & Troubleshooting
- Fault Diagnosis & Analysis
- Repair & Replacement Services
- Protection Checks & Calibration
- Insulation Resistance Testing
- Functional & Performance Testing
- Commissioning Support
- Ensuring Safe, Reliable & Efficient Operation

EQUIPMENT WE SERVICE

VCB PANELS

MV SWITCHGEAR PANELS

PROTECTION RELAYS

CABLE TERMINATIONS

CONTROL & AUXILIARY CIRCUITS

EXPERIENCED ENGINEERS | **QUALITY ASSURED** | **SAFETY FIRST** | **QUICK RESPONSE TIME** | **CLIENT SATISFACTION**

PAKISTAN POWER
ENGINEERING SERVICES

SINCE 2010

POWERING PROGRESS
DELIVERING EXCELLENCE

INSTRUMENTATION & AUTOMATION

We deliver advanced instrumentation and automation solutions that improve efficiency, enhance control, ensure safety, and enable real-time monitoring of industrial processes.

OUR SOLUTIONS

PLC SYSTEMS
Reliable PLC solutions for process control, machine automation and industrial applications.

SCADA SYSTEMS
Supervisory control and data acquisition systems for real-time monitoring and control.

HMI & CONTROL PANELS
Custom designed HMI and control panels for intuitive operation and seamless process control.

SENSORS & TRANSMITTERS
Wide range of sensors and transmitters for accurate measurement of process parameters.

FIELD INSTRUMENTATION
Pressure, temperature, level, flow and other field instruments for critical process applications.

INDUSTRIAL NETWORKING
Reliable industrial communication networks for secure and high-speed data transmission.

DRIVES & MOTION CONTROL
Variable frequency drives and motion control solutions for improved efficiency and performance.

WHAT WE OFFER

CUSTOMIZED SOLUTIONS
Tailored to meet specific process requirements

RELIABLE & ACCURATE
High performance instruments for precise results

INTEGRATION EXPERTISE
Seamless integration with existing systems and equipment

IMPROVED EFFICIENCY
Optimize operations and reduce downtime & operating costs

ON-SITE SUPPORT & COMMISSIONING
Professional support from installation to commissioning

APPLICATION AREAS

POWER PLANTS

OIL & GAS

MANUFACTURING

WATER & WASTEWATER

CEMENT INDUSTRY

OUR CAPABILITIES

SYSTEM DESIGN & ENGINEERING
Professional engineering for reliable and efficient systems.

INSTALLATION & COMMISSIONING
Expert installation and commissioning by experienced engineers.

TESTING & CALIBRATION
Complete testing, calibration and validation for optimal performance.

MAINTENANCE & SUPPORT
Preventive & corrective maintenance for continuous and reliable operation.

TRAINING & CONSULTANCY
Training and consultancy to maximize efficiency and system performance.

DELIVERING INTELLIGENT AUTOMATION SOLUTIONS
FOR A SMARTER, SAFER & MORE EFFICIENT FUTURE

PAKISTAN POWER
ENGINEERING SERVICES

SINCE 2010

POWERING PROGRESS
DELIVERING EXCELLENCE

SUPPLY & INSTALLATION OF MEDIUM VOLTAGE (MV) ELECTRICAL EQUIPMENT

We provide high quality Medium Voltage (MV) electrical equipment from leading manufacturers and ensure professional installation for safe, reliable and continuous power distribution.

EQUIPMENT WE SUPPLY & INSTALL

CURRENT TRANSFORMERS (CT)
High accuracy CTs for metering and protection applications with superior performance and reliability.

POTENTIAL TRANSFORMERS (PT)
Reliable PTs for voltage measurement, protection and metering in MV power systems.

PROTECTION RELAYS
Advanced protection relays for MV systems ensuring fast response and maximum system protection.

EPOXY INSULATORS
High quality epoxy insulators for superior mechanical strength, insulation and long service life.

CABLE KITS & TERMINATIONS
Heat shrink and cold shrink cable kits for safe, reliable and long lasting cable terminations.

BUSBARS & ACCESSORIES
Copper/Aluminum busbars and accessories engineered for efficient power conduction and durability.

SPARE PARTS & CONSUMABLES
Genuine spare parts and consumables to ensure uninterrupted operation and quick maintenance.

OUR INSTALLATION SERVICES

- Site survey and technical evaluation
- Proper handling and transportation
- Professional installation by experienced engineers
- Testing, commissioning & system verification
- Documentation and as-built drawings
- Post installation support & maintenance

WE WORK WITH TRUSTED BRANDS

SIEMENS · Schneider Electric · ABB · EATON · SCHRACK TECHNIK · legrand · Crompton · LS ELECTRIC · HAVELLS

QUALITY EQUIPMENT. EXPERT INSTALLATION.
SAFE POWER FOR A STRONGER FUTURE.

PAKISTAN POWER
ENGINEERING SERVICES

SINCE 2010

POWERING PROGRESS
DELIVERING EXCELLENCE

POWER FACTOR IMPROVEMENT (PFI) SOLUTIONS

Our Power Factor Improvement (PFI) solutions help industries reduce energy costs, improve system efficiency, minimize losses, and enhance overall power quality.

BENEFITS

REDUCE ENERGY COSTS
Lower electricity bills by reducing reactive power consumption and avoiding utility penalties.

IMPROVE SYSTEM EFFICIENCY
Enhances power factor, improves system performance and optimizes equipment utilization.

REDUCE LOSSES
Minimizes line losses, transformer losses and voltage drop in the distribution system.

ENHANCE EQUIPMENT LIFE
Reduces stress on equipment, prevents overheating and extends operational life.

IMPROVE POWER QUALITY
Stabilizes voltage, reduces flicker and improves overall power quality.

FEATURES

- **Automatic Power Factor Correction**
  Advanced APFC relay for accurate and real-time correction.
- **High Quality Capacitors**
  Long life, heavy duty capacitors for reliable performance.
- **Detuned / Harmonic Filter Options**
  Detuned reactors & filters to eliminate harmonic distortion.
- **Robust & Reliable Design**
  Designed for continuous operation in harsh industrial environments.
- **Modular & Scalable**
  Flexible configurations to suit various load requirements.
- **Comprehensive Protection**
  Overcurrent, overvoltage, under-voltage & overheating protection.

APPLICATIONS

- INDUSTRIAL PLANTS
- COMMERCIAL BUILDINGS
- PUMPING STATIONS
- MANUFACTURING UNITS
- HVAC SYSTEMS
- WELDING MACHINES
- TRANSFORMER SYSTEMS
- POWER DISTRIBUTION

WHY POWER FACTOR MATTERS

- Ideal Power Factor: ≥ 0.95
- Reduces kVA Demand
- Avoids Utility Penalties
- Improves System Stability
- Supports Sustainable Operations

TARGET PF ≥ 0.95

PFI PANEL TYPES WE OFFER

FIXED CAPACITOR BANK

AUTOMATIC PFI PANEL (APFC)

DETUNED PFI PANEL

OUR PFI SOLUTION PROCESS

01 **SITE SURVEY & LOAD ANALYSIS**
We analyze your load profile and power quality requirements.

02 **DESIGN & ENGINEERING**
Customized PFI solution design for maximum efficiency and reliability.

03 **SUPPLY & INSTALLATION**
High quality equipment supply and professional installation.

04 **TESTING & COMMISSIONING**
Rigorous testing and commissioning to ensure optimum performance.

05 **SUPPORT & MAINTENANCE**
Continuous support, maintenance and performance monitoring.

LOWER ENERGY BILLS | HIGHER EFFICIENCY | REDUCED LOSSES | LONGER EQUIPMENT LIFE | BETTER POWER QUALITY

TESTING, COMMISSIONING & MAINTENANCE SOLUTIONS

We ensure the reliability, safety and optimal performance of your electrical systems through comprehensive testing, professional commissioning and ongoing maintenance services.

OUR TESTING & COMMISSIONING SERVICES

PRE-COMMISSIONING TESTING
Complete inspection and testing before energization to ensure system readiness.

COMMISSIONING SERVICES
Professional commissioning to verify system functionality and performance.

PROTECTIVE RELAY TESTING
Testing and verification of all types of protective relays for accurate operation.

INSULATION RESISTANCE TESTING
Ensures proper insulation levels and prevents electrical failures.

TRANSFORMER OIL TESTING
Oil analysis and testing to assess transformer health and performance.

DETAILED REPORTING
Comprehensive test reports with analysis and recommendations.

TURNKEY ELECTRICAL ENGINEERING SOLUTIONS

From concept to commissioning, we deliver complete turnkey solutions tailored to meet your project requirements with precision, efficiency and reliability.

OUR TURNKEY PROCESS

01 **CONSULTATION & PLANNING**
We understand your requirements and develop a detailed project plan.

02 **DESIGN & ENGINEERING**
Our experts design efficient, safe and cost-effective electrical systems.

03 **PROCUREMENT**
We source high-quality materials and equipment from trusted manufacturers.

04 **INSTALLATION & TESTING**
Professional installation with rigorous testing to ensure system reliability and safety.

05 **COMMISSIONING**
We commission the system and ensure smooth handover to the client.

06 **AFTER SALES SUPPORT**
Ongoing maintenance and support for continuous and reliable operation.

OUR CAPABILITIES

- ELECTRICAL SYSTEM DESIGN
- POWER DISTRIBUTION SOLUTIONS
- LV & MV PANEL MANUFACTURING
- TESTING & COMMISSIONING
- PROTECTION & CONTROL SYSTEMS
- TRANSFORMER INSTALLATION
- CABLING & TERMINATION
- LIGHTING & EARTHING SYSTEMS
- INDUSTRIAL ELECTRIFICATION
- OPERATION & MAINTENANCE

INDUSTRIES WE SERVE

POWER & ENERGY

OIL & GAS

MANUFACTURING

WATER & WASTEWATER

CEMENT INDUSTRY

COMMERCIAL & INFRASTRUCTURE

QUALITY ASSURANCE

- Use of high quality materials & equipment
- Strict adherence to international standards
- Rigorous testing at every stage
- Skilled and certified engineering team
- Continuous improvement and innovation

100% QUALITY ASSURED

OUR CERTIFICATIONS

- ISO 9001:2015 — QUALITY MANAGEMENT
- ISO 14001:2015 — ENVIRONMENTAL MANAGEMENT
- ISO 45001:2018 — OCCUPATIONAL HEALTH & SAFETY
- PEC — PAKISTAN ENGINEERING COUNCIL
- PSQCA — PAKISTAN STANDARDS & QUALITY CONTROL AUTHORITY

OUR COMMITMENT

We are committed to delivering safe, reliable and innovative electrical engineering solutions that exceed client expectations and contribute to a sustainable future.

DELIVERING EXCELLENCE

INNOVATIVE SOLUTIONS FOR A SMARTER TOMORROW

We combine engineering expertise, advanced technology and industry best practices to deliver future-ready solutions that drive performance, reliability and growth.

OUR CORE VALUES

SAFETY FIRST
We prioritize safety in everything we design, install and maintain.

QUALITY COMMITMENT
Delivering superior quality that meets international standards.

INNOVATION
Using advanced technology and modern engineering practices.

CUSTOMER FOCUS
Understanding client needs and delivering tailored solutions.

INTEGRITY
We operate with honesty, transparency and professional responsibility.

SUSTAINABILITY
Building solutions that support a cleaner and responsible future.

WHY CHOOSE PAKISTAN POWER ENGINEERING SERVICES?

EXPERIENCED PROFESSIONALS
Skilled engineers and technicians with industry proven expertise.

ADVANCED TECHNOLOGY
We use the latest tools and technology for accurate and efficient solutions.

RELIABLE & SAFE SOLUTIONS
Our solutions are designed for safety, reliability and long-term performance.

ON-TIME DELIVERY
We are committed to delivering projects on time every time.

COST EFFECTIVE
Optimized solutions that provide maximum value for investment.

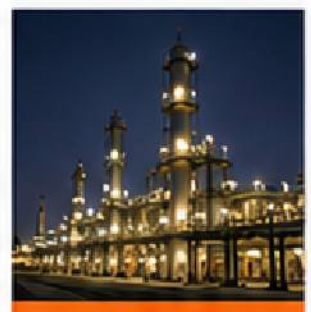

24/7 SUPPORT
We provide continuous support and quick response whenever you need us.
